"CHANGE THE WORLD–TO BE A CHANGE MAKER"

The webinar was organized by IEEE Women in Engineering Affinity group Hyderabad Section in association with IEEE VARDHAMAN SB came up with a webinar on "Defeated but not Failed": Reach your destiny.. On May 18th from 11:00 AM to 12:30 PM. The speaker for the webinar was Ms. Emi Yano R10 WIE Chair 2019-2020 Ricoh IT Solutions.

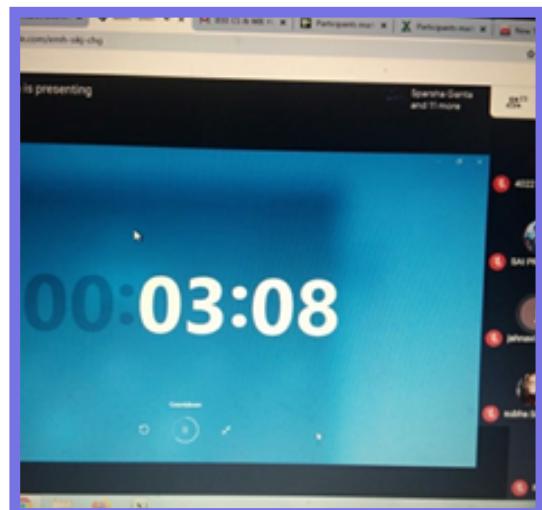

She has been a very active volunteer leader in IEEE since 2008. She was the Chair of IEEE Japan Council Women in Engineering from 2016 to 2017. We learned some skills how to improve our own identity. She explained about her journey in IEEE. We came to know how the communication plays a major role in our life. She made students to interact and replied for each and every query of a student.

SPEAK TO LEAD

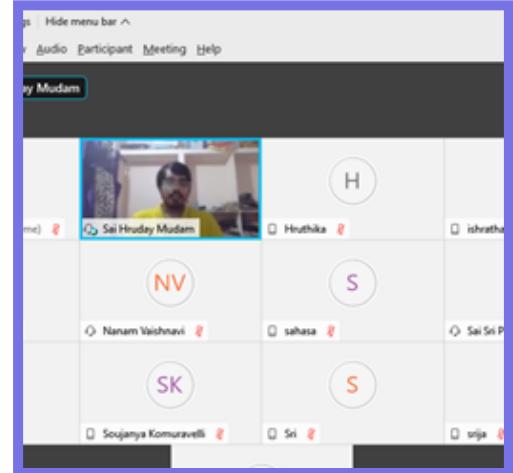

On this pandemic situation of "COVID-19" IEEE Women in Engineering Affinity Group in association with IEEE VARDHAMAN SB organized speak to lead competition on August 16th 2020. Participants were asked to express their views on the topic "EFFECTS OF TOURISM AND PRECAUTIONS TO BE TAKEN WHILE TRAVELLING DURING COVID-19" and "PROMOTING INTERNET UNIVERSITY AND OPEN INTERNET FOR ALL", in your words.

The elocution competition was done online through Google meet application and is evaluated by Ms.Sangeeta Singh, Mr.M.Sai Prashanth and Mr.M.D.N.Akash. They are awarded with certificates on August 18th 2020.

HOW TO CRACK AN INTERVIEW

This webinar was organized under IEEE Women In Engineering Affinity Group under IEEE Vardhaman SB on " HOW TO CRACK AN INTERVIEW " on 6th September 2020 6:00PM to 7:00PM.The session started at 6:00 PM on WebEx platform. The Webinar was presented by Mr. Sai Hruday Mudam who is currently working as HR Executive KAYK Technologies Pvt Ltd.Explained some tips and tricks to crack all the rounds in an interview. This Webinar was for student's career growth and also students got aware of the interview rounds and got to know how they should prepare for it.

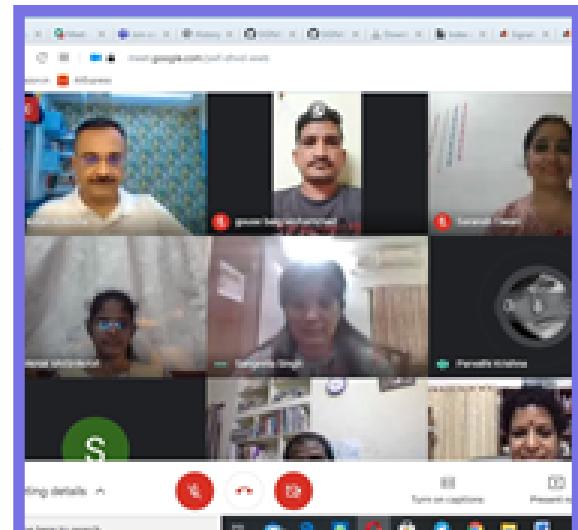

NATIONAL LEVEL QUIZ

IEEE Vardhman College of Engineering Student Branch as a part of IEEE Day Activities has conducted National Level Quiz , The first National Wide Quiz which presents the IEEE Resources and About IEEE.

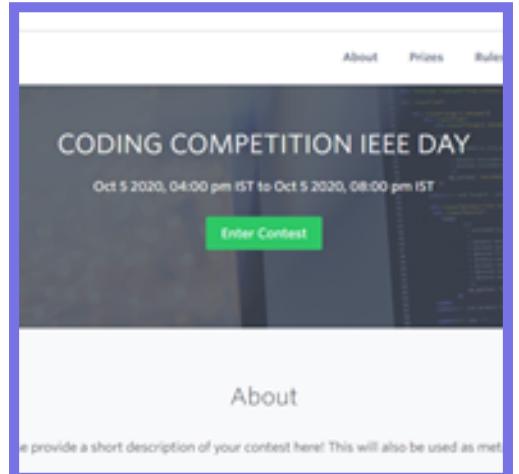

ENGINEER'S DAY CELEBRATIONS

The Engineering Community across India celebrates Engineers Day on 15 September every year as a tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya. "Role of Engineers in a developing India" is the theme of Engineers Day.On the occasion of ENGINEERS DAY Celebration IEEE Women in Engineering Affinity Group in association with IEEE VARDHAMAN SB organized webinar on September 15th 2020 by the best speakers i.e. prof. Dr. Sandhya kode and prof. Dr. Ketan kotecha. The session started with the first speaker Prof. Dr. Sandhya kode and told "Empower yourselves and transform education and the nation and beyond.Then it was continued with a cultural program by saransh tiwari.The Second speaker prof. Dr. Ketan kotecha addresses the gathering and told to improve and learn many skills to give out the world and keep updated.

CODING COMPETITION

On the occasion of IEEE Day, IEEE Women in Engineering Affinity Group in association with IEEE Computer society VARDHAMAN SB organized coding competition on October 5th 2020 from 04:00PM to 8:00PM IST. More than 35 enthusiastic participants attended the session. The participants were given four hours to solve the given problems. The questions were designed to challenge the students and promote out of the box thinking, problem skills, and analytical thinking. The students enjoyed the event and also said that it was a good opportunity for them to enhance their skills.

ACTIVITIES UNDER REACHING LOCALS PROJECTS COMPETITONS

As a part OF Reaching Local Language Projects IEEE VARDHAMAN Student Branch is conducted Lock Down Diaries Contest and Article Writing Contest to enhance the Technical and Communication skills in the Young Voluneers where we received 50+ submission and The Top 3 Among both the contest are being awarded. Closely related to the above-mentioned point is the fact that you have the opportunity to meet and learn from new people. It is about being in the right crowd, with like-minded people whom you can engage in relevant conversations, and these new people can guide you to take the next steps in your career or business. Remember: It is a voluntary job; you are allowed to enjoy what you do or learn a new field of interest.

QUIZ COMPETITION ON PROGRAMMING

Without requirements or design, programming is the art of adding debugs to an empty text file. IEEE Women in Engineering Affinity group Vardhaman SB organized a quiz competition on programming on the occasion of ADA LOVELACE DAY on October 17th 2020.

THE ROLE OF YOUTH: AN AGENT FOR INDIA'S DEVELOPMENT IN REGIONAL TELUGU"

The resource person of the webinar is Ms. Shravya Mandadi, Founder WIE & SHE Foundation and the webinar was given on the topic "The Role of Youth: An agent for India's Development in Regional Telugu" The speaker have joined the meet 30 minutes in prior and she was interacting with our IEEE Members and the webinar started at 11:00 Am sharp at first the student volunteers in presence of the members she have given a energetic talk about the roles of youth towards the country's Development and the key take points in the webinar is it is completely in the Telugu which comprises of adequate opportunities should be given to the youth to represent their ideas and policies for the upliftment of the nation.

"IEEE BENEFITS AND MEMBERSHIP DRIVE IN REGIONAL HINDI"

The resource person of the webinar is Ms. Sangeeta Singh, Deputy Advisor, IEEE Vardhaman Student Branch and the webinar was given on the topic "IEEE Benefits and Membership Drive in Regional Hindi". The speaker have joined the meet 30 minutes in prior and she was interacting with our IEEE Members and the webinar started at 11:00 Am sharp at first the student volunteers in presence of the members she have given a energetic talk about the IEEE benefits and the volunteering in IEEE. Community-level social interventions delivered by volunteers should be in partnership with other local actors, as this partnership could be an important source of social support in advancing community resilience. It also could build and strengthen local leaders and promote democratisation and social transformation."

JOY OF VOLUNTEERING SHARING MOMENT IN REGIONAL TELUGU AND HINDI"

The Session was given on the topic " Joy of Volunteering Sharing Moment in Regional Telugu and Hindi" This initiative talk has called all the student members and the professionals to share there experiences where 40 Leaders have shared there expiriences volunteering in IEEE. The session gave an outlook of Volunteering has never been more important than it is today. With the spate of global humanitarian crises and the growing consciousness of alternative problem solving techniques available, volunteering with organizations that are solving societal problems gives people the opportunity to be part of the solution. Volunteering to help people in your community leads to your personal development and to the development of that community and the country at large.

K- MAPS IN REGIONAL TELUGU

The resource person of the webinar is Ms. V. Uma Maheshwari, Assistant Professor Vardhaman College of Engineering and the webinar was given on the topic " K- Maps in Regional Telugu" The speaker have joined the meet 30 minutes in prior and she was interacting with our IEEE Members and the webinar started at 11:00 Am sharp at first the student volunteers in presence of the members she have given a energetic talk about the The Karnaugh map (KM or K-map) is a method of simplifying Boolean algebra expressions. Maurice Karnaugh introduced it in 1953. The required Boolean results are transferred from a truth table onto a two-dimensional grid where, in Karnaugh maps, the cells are ordered in Gray code. The webinar was completely a practical where lot of problems are discussed.

WALK THE TALK 2020

IIEEE Walk the Talk 2020, its second edition organized by IEEE Women in Engineering Affinity Group under IEEE Vardhaman Student Branch in association with IEEE Hyderabad Section WIE AG, IEEE Hyderabad Section Student Activities Committee, IEEE Hyderabad Section YP AG and IEEE Hyderabad Section CS chapter and with the support of the Sister societies in IEEE Vardhaman Student Branch on 22nd and 23rd Dec 2020 is the Student Professional Awareness Conference (SPAC) 2020. Being funded by IEEE Students, it is a technical consortium that encourages women and men in engineering disciplines to share their ideas and build up a professional network to enhance their skills. IEEE WIE Hyderabad Section, IEEE Computer Society Hyderabad Chapter, IEEE Hyderabad Section Student Activities Committee and IEEE Young Professionals Affinity Group has the ability to bring formidable IEEE Members together from across the globe and the potential to make a shift change in engineering cultures worldwide.

The Theme of the Event "Innovation for Humanity" demonstrates the strength arising from working together as a community which surely can mark a significant change within us before this year comes to an end. We the members are enthusiastically and passionately coming forward to working with you all and to serve you in coming months. Walk The Talk will make the students aware about multitude of skill sets, powerful mind development, conductive learning environment, and networking opportunities and provides a chance to grow globally. Through this event, members can connect with people worldwide, share and exchange knowledge, work as a team, strengthening networks. The tracks also focus on women empowerment, help women advance in their careers and encourage IEEE Members in their development goals. IEEE Walk the Talk will focus more than ever on impact and deliverables, build the passion and enthusiasm about the progress and visibility of IEEE WIE in IEEE. We would love to meet every member of IEEE WIE this year, and I would like to invite you to join me to contribute and mark a change, boost self-confidence and prove that women should be independent and reach their goals even in the hardest fields. The event had diverse speakers from wide areas like entrepreneurship, advancing technology, safety & security, social reforms, health care and many more. The Event was attended by 400+ students from various reputed institutes across Telangana.

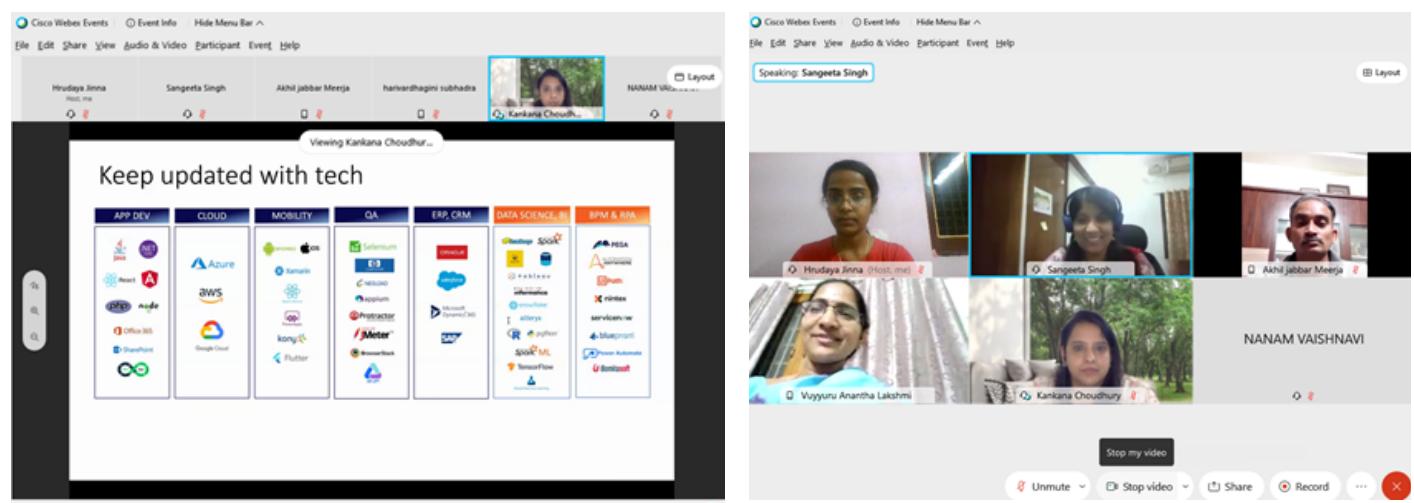

WOMEN'S DAY 2021

International Women's Day is a global day celebrating the social, economic, cultural, and political achievements of women. Significant activity is witnessed worldwide as groups come together to celebrate women's achievements.

IEEE Hyderabad Section Women in Engineering Affinity Group in association with IEEE Women in Engineering Affinity Group under IEEE Vardhaman SB organized a webinar on Women in Technology: Challenges and how to overcome them on the occasion of International Women's Day 2021 by Ms.Kankana Choudhury .

Ms.Kankana choudhury is a Practise director of Evoke Technologies and Advocate of Women in STEM careers. She also played a major role being a chief architect and technical header. She completed her BTech in Information Technology from West Bengal University of Technology. Her key interest is building intelligent mobile application and her strengths have been strong understanding of business principles and practise.

DRAWING COMPETITION

"Art enables us to find ourselves and lose ourselves at the same time" On the occasion of "International women's day 2021" IEEE Women in Engineering Affinity group Hyderabad Section in association with IEEE VARDHAMAN SB organized Drawing competition on 8th March 2021. Participants were asked to draw on the topic "Choose to Challenge".The drawing competition was done online through Google forms application and is evaluated by Mrs.Sangeeta Singh.Certificates are provided to all the participants and winners.IEEE Vardhaman Student Branch always encourages student's participation in competition for their holistic development.

AWARDS AND RECOGNITIONS

- Ms.Sangeeta Singh has been awarded as Outstanding Women In engineering and Leadership award 2020
- Ms.Niharika Vanka has been awarded as Outstanding Women In engineering award 2020
- Ms.Jinna Hrudaya has received Richard E Merwin Scholarship from IEEE Computer Society of 1000\$.

Ms.Jinna Hrudaya
